

NEWS RELEASE

SPRING LOAD RESTRICTIONS TO BEGIN MARCH 5, 2018

February 28, 2018

Spring Load Restrictions (SLR) will go into effect on all Sibley County Highways on Monday, March 5, 2018 and will remain in effect until further notice.

These restrictions protect the investment we have made in our highways and help hold off costly pavement repair and unnecessary reconstruction.

All paved roads with restrictions will be posted with signs indicating maximum allowable axle loads. A map showing specific restrictions is available at our office or on the Sibley County website at www.co.sibley.mn.us/public_works

Any questions regarding specific route postings should be directed to Sibley County Public Works at (507) 237-4092.
