
SPRING GARDEN LECTURE

STEVE KELLEY & ARLA CARMICHIEL

Tuesday, March 20 @ 7 p.m.

Lower Level of the Henderson Public Library

A Garden Through the Seasons

Are you guilty of neglecting spring and fall when planning your garden? Do you focus on color alone in your landscape? Have you considered some of the exciting new perennials available? This talk will help you appreciate seasonal changes in the garden. We will talk about long-lasting plant combinations that reward you with interest month after month. If you've yearly thrown in the trowel long before winter arrives, here's an opportunity to expand your perspective.

Next garden lecture:

Tuesday, April 17 @ 7 p.m.

A Few Grasses to Grace Your Garden

Henderson Public Library

110 South 6th Street
