Home Study Group Creed

As a Home Study Group member, I will strive to promote a better way of life for my family, my neighbor, and myself through continuing education, community service, and support to each other.

I believe it is my privilege and responsibility to serve to the best of my ability and to continue to improve myself while helping others to develop to their full potential.

May I always be willing to accept the challenges of the day by building on the strengths of the past and looking with optimism to the future.
