

NEWS RELEASE

SPRING LOAD RESTRICTIONS TO END FRIDAY, MAY 10th, 2019

May 8, 2019

Spring Load Restrictions (SLR) will end on all Sibley County Highways on Friday, May 10th, 2019.

Spring Load Restrictions protect the investment we have made in our highways and help hold off costly pavement repair and unnecessary reconstruction.

Any questions regarding spring load restrictions should be directed to Sibley County Public Works at (507) 237-4092.

Tim Becker, P.E.
Sibley County Public Works Director
